

CSCE 586

HW0

2d Lt Marvin Newlin

Lt Col DeYoung

4 Oct 18

1. Marvin Newlin, Graduate Cyber Operations, undergraduate degrees in Math & Computer Science from NC State University.
2. NC State University: CSC 316 Data Structures.
3. No Graduate Algorithm courses but did take CSC 565 Graph Theory at NCSU.
4. Interested in either Hypergame Theory applications to cyber security or in formal methods for mobile security.
5. Hope to get a good background in algorithms, how they work and how to analyze them.
